

GRAVITY PRODUCTS & SERVICES

OUR PRODUCTS AND SERVICES

We provide advice on over 100 products across all trade sectors.

Our expert advisors work with a wide range of industries and have a proven track record in delivering high quality services.

Our work spans manufacturing, engineering, motor trade, construction, charities, professional services, property owners and wholesalers and many more.

We encourage all of our advisors to be qualified in the Chartered Insurance Institute examinations to make sure we give you the very best advice to give you peace of mind.

Our solutions include:

- Material damage
- Business interruption
- Employers/Public/Products liability
- Transit
- Management risks
- Motor fleet
- Contract works
- Cyber risks
- High net-worth household

...and don't forget our specialist services including...

“Being in the recycling industry insurance has always been difficult but Gravity made it incredibly simple. Matt came to my premise and gave me a breakdown all of my current policies and more importantly told me what I was and was not covered for. He then re-arranged them all in a way that not only drastically improved my cover but also reduced my overall insurance costs” **Aaron Davies, The Raw Material Company Ltd**

TYRE AND RUBBER INDUSTRIES

We've had more than 10 years' experience of working closely with the British Rubber and Polyurethane Products Association, Tyre Recovery Association, British Tyre Manufacturers Association, Tyre Industry Federation, Tyresafe and the International Tyre Manufacturers Association.
